RAPID RESPONSE GRILLE

Rapid Response Square grille without LED light

Rapid Response Round grille with LED light

DESCRIPTION

The stylish Rapid Response Grilles have a contemporary design and are available in a white or black finish. They also come with an LED light option to brighten up any bathroom, ensuite or toilet.

The Rapid Response grilles are quick to install and can be easily removed for cleaning.

Typical Applications

Used with a Rapid Response header box fan or Rapid Response grille to duct connector and inline fan. Installed into toilets, bathrooms, laundries, kitchens and ensuites.

Features

- Round and square models in 2 sizes to suit the Rapid Response header box fan models.
- Stylish, contemporary design.
- Both round and square models are available with or without an LED light.
- LED grille models can be set to either a cool, neutral or warm setting.
- LED lights can be controlled independently and dimmed (dimmer and power switches purchased separately).
- Quick and easy to install.
- Rated IPX4

Construction

The grille is made from injected moulded, ABS plastic.

Testing

Complies to: AS/NZS 60598.2.2:2001 and AS/NZS 60598.1:2013 Certificate No.: SAA152082.

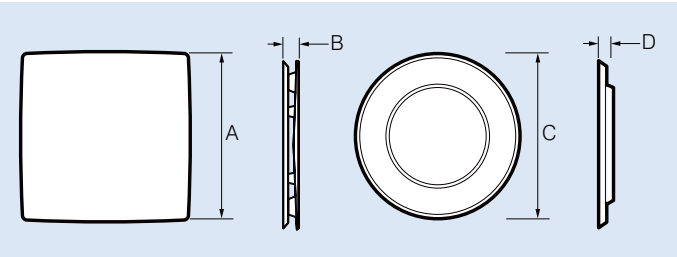

SUGGESTED SPECIFICATION

The grille shall be of the Rapid Response Series as supplied by Fantech and be of the model number shown on the schedule/ drawing. The grille model with LED light shall comply to AS/NZS 60598.2.2:2001 and AS/NZS 60598.1:2013
