Inspection:

Ensure the unit has arrived in good condition and no parts are damaged.

Installation:

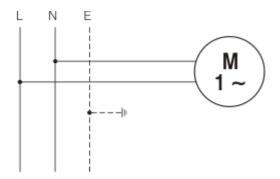

- 1. Installation of this product should be carried out by appropriately qualified persons.
- 2. Using the template provided, mark and cut a hole in the skylight screen. Also mark and drill the 4 x 5mm holes.
 - **NOTE**: The cutting template is designed to be used on flat surfaces. If you use the template on highly curved surfaces the hole diameter and position may be inaccurate.
- 3. Remove the interior grille (1) from the HCM fan by loosening the fixing screw (5)
- 4. Remove the exterior grille (2) by removing the interior plastic fixing nuts (6)
- 5. From the underside of the skylight screen, place the discharge side of the HCM fan through the cut out hole.
- 6. From the top side of the skylight screen, place the skylight fan mounting assembly over the discharge of the HCM fan
- 7. Fix the HCM fan to the mounting assembly with the bolts provided through each of the holes in the fan.
- 8. To ensure a watertight seal run a bead of silicon between the skylight screen and mounting assembly.
- 9. Cut a small hole in the grommet (8) and feed electrical cable through.

- 10. Connect electrical cable to terminal block in accordance to the wiring diagram (**This is to be done by a qualified electrician**).
- 11. Refit the interior grille (1) to the HCM fan case and fix into position by tightening the fixing screw (5)
- 12. Test run the fan to ensure free rotation.

Electrical Connections:

This product is designed to be wired by a qualified electrician.

Safety Considerations:

- 1. All connections must be in accordance with any local regulations. This product must be installed by a licensed electrician. Minimum size cable to be used is 1.0mm².
- 2. The Licensed Electrical installer must ensure that an approved means of disconnection be incorporated into the fixed wiring.
- 3. This appliance is not intended for use by young children or infirm persons without supervision.
- 4. For duct or partition mount, precautions must be taken to avoid the back-flow of gases into the room from the open flue of gas or other open-fire appliances.

GOODS AND WARRANTY

- 1. When supplying goods to a consumer, the following mandated statement applies:
 - "Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure."
- 2. The benefits of this warranty are in addition to any rights and remedies imposed by Australian State and Federal legislation that cannot be excluded. Nothing in this warranty is to be interpreted as excluding, restricting or modifying any State or Federal legislation applicable to the supply of goods and services which cannot be excluded, restricted or modified.
- Subject to the conditions and limitation below, the Company warrants products of its manufacture to be free of defects in workmanship and/or materials at the time of delivery to the Buyer.
- Any part, assembly or portion thereof found to be defective within one year from the date of commissioning or eighteen (18) months from date of shipment from our factory, whichever is the sooner, unless expressly stated otherwise in the Company's Publications or Literature, will be repaired or exchanged F.O.B factory.
- The Company reserves the right to replace defective parts of the goods with parts and components of similar quality, grade and composition where an identical component is not available.
- Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.
- Goods or parts that have been returned for repair (except where the repair is as a result of the Company's

failure to comply with the statutory guarantees in the ACL) or warranty assessment are deemed to have been abandoned by the Buyer if not collected within 30 days after the Company has notified the Buyer in writing of the warranty assessment outcome or the completed repair.

- The Company reserves the right to dispose or otherwise deal with an abandoned product or part at its discretion.
- This warranty does not apply if:
 - (i) the goods have not been paid for by the Buyer as per the credit terms provided; or
 - (ii) the goods have not been installed in accordance with AS NZS 3000/2000 Australian/New Zealand Wiring rules; or
 - (iii) the goods have been misused or neglected.
- 10. The Company assumes no responsibility under this warranty for the labour costs involved in the removal of defective parts, installation of new parts or service charges related thereto.
- 11. If a fault covered by this warranty occurs, the Buyer must first contact the Company at the contact address listed below.
- 12. Any warranty claim must be accompanied by:
 - (i) proof of purchase;
 - (ii) written details of the alleged defect; and
 - (iii) appropriate documentation (such as installation and maintenance records etc).
- 13. The Company shall have the option of requiring the return of the defective part (transportation prepaid by the Buyer) to establish the claim.
- 14. The Company makes no warranties or representations other than set out in this clause 7.
- 15. The repair or exchange of the goods or part of the goods, is the absolute limit of the Company's liability under this express warranty.
